## JointWeld China 2021 第二届中国国际连接焊接展览会

“JointWeld China” was founded to make “MetalForm China” hosted by CCFI realize one-stop service and provide the whole industry chain experience for the Visitors. It is one of the six sub exhibitions of “MetalForm China”. Nowadays, it is generally agreed in the industry that the only way for stamping and sheet metal manufacturing enterprises to develop is to participate in material research and development upward and complete component manufacturing downward. In component manufacturing, joining and welding technology has become an indispensable process in the development of stamping and sheet metal manufacturing enterprises. In addition, it is well known that most of the markets for joint and welding applications are in the “sheet metal forming industry”. The essence of the sheet metal forming industry is “stamping and sheet metal production”. The establishment of MetalForm China is an important promotion to the progress and development of the industry, and will be welcomed by the majority of exhibitors and visitors.

“中国国际连接焊接展览会”的创立，目的是为了中国锻压协会主办的“中国国际金属成形展”实现一站式服务，为观众提供全产业链体验，是“中国国际金属成形展览会”六大子展之一。当今产业界普遍认为，冲压及钣金制作企业发展的必由之路是向上参与材料研发，向下完成部件制造。在部件制造中，连接与焊接技术已经成为了冲压及钣金制作企业发展中不可或缺的工序。另外，众所周知的是连接与焊接应用的大部分市场在“板材成形行业”，板材成形行业的实质内容就是“冲压和钣金制作”。中国国际金属成形展览会设立连接与焊接展是对行业进步和发展的重要推动行为，必将受到广大参展者和观众的欢迎。
